FORWARD

ONWARD! Ever since that day on Calvary when Christ became the Captain of our salvation this has been the cry of those who follow Him. The desire to seek first the Kingdom did not stop in the hearts of Christ's "twelve," for throughout the ages meek hearts have been strengthened by the inner voice to press onward in the name of their great Commander.

Nineteen hundred eventful years have sped by since that day. Christendom again faces a foe which will fight to the death. The call has gone forth from the portals of Heaven — "Soldiers of Emmanuel go forward in the fray!"

With grateful hearts that we should be counted worthy, as a class, we the Victorious Vanguards, take our stand. Forty strong, we take this as our theme, "With the cross of Jesus, going on before!"

You too may answer this call. May the pages of this book inspire your hearts to "press toward the mark for the prize of the high calling of God in Christ Jesus."

NEW DORMITORY BUILDING

The two new dormitory buildings are joined by a common foyer. They are finished in light green fire-resistant stucco. The buildings are two story structures and so placed that all rooms are sunny and bright. The entrance to the foyer is finished in cinder and glass brick.

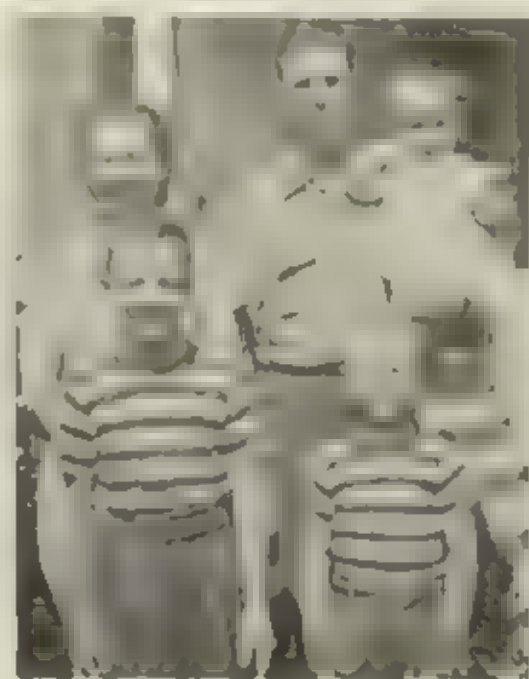

NEW CLASS ROOM BUILDING

The class room building is located directly opposite the dormitory buildings. In this building are located five class rooms. The chapel has a beautiful flagstone fireplace which presents a homey spirit.

Dedication--

He might have chosen to be an architect to superintend the construction of large buildings. Today might have found him 'digging into' the ancient ruins of civilizations now almost forgotten. He holds all the qualifications for the executive world. But God in His wisdom looked down, and saw a yielded life whose eyes He opened to a greater and nobler work -- a co-worker with the **Master in the shaping of lives.**

Because, in our three years of training in Glad Tidings, we have seen the man behind the man, because his walk before the Lord presents a path in which we wish to follow -- we the Class of '51, with heart felt respect wish to **dedicate this volume to our instructor, Rev. M. H. Heickson.**

Rev. Martin H. Heickson

Entrance to Bethany Park

In Memorium
of
Leonard Finley

The Master took many different strands
And began to weave a life,
We could not understand the pattern
For t'was mixed 'tween joy and strife.

And then as the picture neared the center
Where the true beauty began to show
The weaver cut the strands off short,
The reason we did not know.

For the colors had become most lovely
And many there watched to see,
As the fingers of the master paused,
What the reason seemed to be.

Why, why, we cried in our wonderment
Did he not continue to Weave?
And then the answer came to us
"Why must you know, just believe."

And then as we watched we saw others
Come by and look with great care.
And as they looked we could see plainly
A flaw of their own they'd repair.

And as they gazed at the pattern
Their unending search seemed to be o'er,
For they mended the flaw in their own robes,
Then we continued to puzzle no more.

Steadfast . . .

*"Stand fast therefore in the liberty
wherewith Christ hath made us free."*

R. A. WILSON

History of G. T. B. I.

Thirty-two years ago this August sixth, Glad Tidings doors were opened at 1536 Ellis Street and although the home of the school has moved twice since then, the spirit with which it was begun has never left.

Robert J. Craig and his wife, the founders of the Bible Institute, began a work which has surrounded the entire globe in its magnitude. Seeing the definite need for Bible study by those in their mission, classes were begun in the parsonage. After two years the classes had grown to such an extent that additional teachers were secured, dormitories were provided next to the mission and in 1919 "Glad Tidings Bible Training School" officially began.

This was the opportunity for which many had been waiting. Soon the attendance became so large that new buildings were necessary. Mrs. Craig put a sizeable legacy of her own into the building program and in 1925 the new site was occupied.

It wasn't until 1944 that the course took on an additional year under the direction of L. R. Keys. Up until this time only two years attendance were required toward graduation.

In 1911 Bro. Craig passed on to be with his Lord. He had asked for 100,000 souls to be won during his ministry. It is felt sure that his aim was reached. One and a half years later Sister Craig followed him. Their influence lives on in the many students to whom they taught the Word, encouraged in the Lord and aided financially.

Other changes had to come, for the General Council Education Department required that the school be separated from the church and that a District Board of Control be established. The Institute had up to that time been owned and operated by Glad Tidings Temple, San Francisco. A common treasury had aided the school at many times.

Rev. W. E. Pickthorn, dean of the school, labored untiringly for several years to bring the school up to all standards set forth by the Accrediting Association of Bible Institutes and Bible Colleges, and in 1948 Glad Tidings Bible Institute was accepted as a member of that organization.

The year 1950 again found changes to be inevitable. The overcrowded dormitories, inadequate facilities and lack of a campus were all deciding factors. At the District Council business meeting in Oakland the motion was passed that the school be moved to Bethany Park, the camp grounds for the Northern California Nevada District Council of the Assembly of God.

Construction began in April, 1950, and in September of the same year the new buildings were occupied.

New heights of scholastic attainment lie ahead. This coming year is to bring in the beginning of a fourth year and soon our status will be that of a Bible college. Along with this increase in learning we know that God will continue to pour out of His Spirit upon us. Glad Tidings has one underlying aim—to teach God's Word and to train men and women to spread the Gospel to every nation, people and tongue.

President's Message

REV. W. T. GASTON, PRESIDENT

PERSONAL WORTH

The most valuable thing in the world is this thing called life. Who is able to properly evaluate life? What is the coveted thing or the grand aggregate of every other thing that could be considered of worth, apart from its relation to sentient being? What would it profit a man if he gain the whole world and lose himself? We are usually too busy about too many things to really take in the obvious truth that the whole world or any part of it **is without worth to a man apart from himself**.

Every individual is intrinsically valuable. In the beginning he was fearfully and wonderfully made. Even in his fallen state he was loved of God and redeemed at infinite cost. And now if indeed he has been re-created in Christ Jesus to the praise of His glory and grace, absolutely nothing in this world should ever cause him to linger in the valley of despond.

In this Bible Institute we tarry a while to better learn the way to the further unfolding of life and also how to make the best possible use of it. In this wonderful text book, the Word of God, we find all the information needed for successful living and serving, all needful data concerning the world in which we are now strangers and pilgrims, invaluable information about human weakness and how it can be exchanged for divine **strength, together with an effective weapon against the adversary.**

Space will permit only a final suggestion. The best in life and the highest in service for faculty and students, as well as preachers and laymen everywhere, will depend on clear understanding and full appropriation of the Christian message and the skillful handling of the Word of Truth under the all-pervading presence and power of the Holy Spirit.

W. T. GASTON.

Upper and lower terraces

Dining hall and "Spot"

A GOOD SOLDIER

"Victorious Vanguards" — a 'spearhead' thrust into the enemy's ranks' with victory assured! That is what your name means. But it won't be an easy victory, nor quickly won.

When the Apostle Paul said 'endure hardness as a good soldier of Jesus Christ' he was warning his son, Timothy, that he was in a warfare and ought expect the enemy to turn his heavy artillery upon him. The training of men for our armed forces begins with a preliminary hardening-up process. After the calisthenics and the heavy marching, then there is training under fire. When it's over, the new trainee is physically a man mentally alerted to every kind of enemy tactic, and really equipped to go into actual battle.

Your three years in God's House has been but the preliminary training period, and while your spiritual resources have been hardened up a bit, there is much more training under fire ahead. The enemy has not left you alone during these three years, but the victories you have won are just the first skirmishes. Real battles are ahead. Endure! Endure! — So that "endureth to the end, shall be saved."

God will not suffer you to be tempted above that you are able to endure. Yet will *with* the temptation make a way of escape — that he may be able to bear it. — But to escape from it, God is with you in the fire. He will make you come out as "Victorious Vanguards" from the battle. "Endure hardness!"

DEAN W. C. PEIRCE

Dean's
Message

REV. WILLARD C. PEIRCE
Dean and Vice-President

REV. JOSEPH WILDERMAN
Dean of Men

Coming to us this year as Dean of Men and teacher of Bible is Joseph Wilderman. Canadian-born, Brother Wilderman has been used mightily by the Lord as a Bible teacher on the evangelistic field. He has indeed proven to be the right man for the job.

REV. EDITH WILDERMAN
Dean of Women

After years of successful evangelistic and pastoral ministry Sister Edith Wilderman came to Glad Tidings this year as Dean of Women. Her warm-hearted interest and concern for the spiritual needs of the students are greatly appreciated as she so capably fulfills her duties as Dean of Women and supervisor of student detail.

REV. M. H. HEICKSEN
Registrar

Resuming his duties as Registrar and teacher, Brother Martin Heicksen is the first to welcome many of the incoming students. His rich background as evangelist, pastor and teacher is evident in all of his classes. His quiet, pleasant spirit makes him everybody's "friend."

REV. MARK J. BELL

As head of the Music Department and student counselor Brother Mark Bell comes in contact with every student. His warm hearted advice and musical ability are appreciated by all. He endeavors to instill within the hearts of students the value of the ministry of music.

REV. LESLIE T. HOLDCROFT

Real learning coupled with a note of quiet but genuine sense of humor make his classes both profitable and enjoyable. Four years ago Brother Holdcroft came to Glad Tidings after a successful teaching ministry at Western Bible Institute.

MR. BEN KUMMERFELD

New at G. T. this year — Brother Ben Kummerfeld. Thirteen years experience as a teacher in the Oakland Public Schools make him a great asset to our school. His burden for souls has endeared him to the hearts of his students.

REV. EILEEN EDWARDS

A missionary herself for fifteen years in India, Sister Eileen Edwards has made the heart of the Missions Department beat for souls more than ever before. With her effervescent smile and compassion for the lost, she has helped us day by day to widen our vision.

MR. GEORGE SONDENO

On our faculty for the fall semester Brother George Sondeno conducted classes in the Music Department. He did not leave us entirely the second semester, but with his mellow tenor voice continued teaching private vocal lessons.

Eph. 4:14

SENIORS

History of Class

As we the class of '51 allow ourselves to reminisce over the three short years just closed we thank God for the experiences, some hard and some easy through which we have passed.

We opened our never-to-be-forgotten Freshman year with Sister O. W. Keves as our faculty advisor and Bob Williams as our class representative, and we pushed forward to new experiences and victories in Him. We were proud to be the first Freshman class at G. T. B. I. to purchase class sweaters.

At the opening of our Junior year Earl Gould was elected President, Marvin Williams, Vice President, and Bettie (Finch) Sanders, Secretary. Brother Bell was chosen as our faculty advisor. We also chose our class theme, scripture, and color. Work began almost immediately on our Junior-Senior Banquet at which the Lord Jesus was our Unseen Guest who richly blessed us.

As we launched out on our Senior year we did so at our new campus nestled beneath the trees at Bethany Park, Santa Cruz. With Brother Bell again as our faculty advisor and Eddie Kramer as President, Tom Williams, Vice President, and Dollie Whitmarsh, Secretary-treasurer, we began the last year of our three-year career at G. T. B. I. The highlights of this year were the Senior Sneak in the fall instead as previously in the spring, and the Junior-Senior Banquet at which we were the guests.

On June 16 these three years in training for His service came to an end. As we look ahead to the whitened harvest field it is with determination to be "Victorious Vanguards" for Him!

EARL GOULD

EDDIE KRAMER

CLASS SPEAKERS

Earl Gould and Eddie Kramer were selected as Class Speakers for the Graduation Exercises because of their ability to minister the Word of God, outstanding scholastic records, and leadership and cooperation in school activities. Earl Gould was class president during his junior year and Eddie Kramer was class president during his senior year.

MUSIC

MARK J. BELL
Director

SCHOOL of SACRED MUSIC

DEPARTMENT OF SACRED MUSIC

"Let the Word of Christ dwell in your hearts, teaching you in all wisdom, teaching and admonishing one another with psalms and hymns and spiritual odes, singing with grace in your hearts unto God" (Colossians 3:16 R. V.)

Three years ago Glad Tidings Bible Institute created the School of Sacred Music which is maintained to provide preparation for those who desire to have a ministry in sacred music. Music plays an important part in church services; therefore, the Department offers young men and women a solid background of theoretical and practical congregational songs, organists, pianists, vocal and instrumental soloists and ensembles, and orchestration.

MISSIONARY SOCIETY

Missions have always had an important part in our school. The call is to go, give and pray, and all three are being done.

Graduates of Glad Tidings are even now on the mission field, while others are in school preparing in classes and practical experience to become foreign missionaries.

Glad Tidings gives toward the support of four foreign missionaries, besides giving offerings to missionary speakers who come to her.

Prayer is offered in daily morning prayer meetings sponsored by the Missionary Council, in weekly individual group meetings and in our weekly missionary rally.

New to us this year is this rally. Thursday night is set aside as Missionary night. Groups meet to study and pray for each field. Then each group in turn has charge of the evening rally. Missionary skits, movies and speakers are presented at this service which proved a blessing throughout the year, broadening the missionary vision of Glad Tidings.

ADVISOR
Rev. E. Edwards

AFRICA

MISSIONS

Though this continent is in the midst of a revival, millions are facing eternity without hope. The dark hearts of these one hundred and fifty three million souls should cause someone to hear the Macedonian call.

This vast unconquered continent presents a challenge to every soldier of the cross. Millions now in darkness are seeking for a ray of light.

ASIA

The large continent of Asia containing one-fourth of the world's population cries for help! This land studded with superstitions and ravaged by war presents a need of food for both soul and body. Doors of opportunity are fast closing in some countries of the continent while new doors are opening in other sections.

Missionaries and prayer are desperately needed for Asia.

EUROPEAN

Europe, as never before, is in a state of confusion. It has been the victim of strife and conflict of ungodly anarchy. The nations cry has not only been for food, shelter and clothing, but for the more vital Bread of Life.

HOME MISSIONS

Although founded upon Christian principles, our nation is pagan in many ways. The prosperity and success of the citizens have led them away from the teaching of our forefathers. Children are raised in godless homes and never learn of the saving power of Jesus blood.

We need to start in our Jerusalem where there is a need for workers with a true pioneer spirit.

LATIN AMERICA

It is a tragedy that Latin America—dominated by Roman Catholicism—has tried to satisfy the spiritual hunger with vain philosophies and false hopes. It is estimated that sixty million remain unevangelized.

Although they are our neighbors, they are not as privileged. It is our duty to speed the Gospel to this "misguided people."

JEWISH

Since their rejection of Christ as Messiah, the Jewish people have remained in spiritual darkness waiting the coming of a King in earthly power. They have been driven from their lands and persecuted by enemies while the church has forgotten and neglected them.

"Well done, thou good and faithful servant . . ."

CHAPEL

The way in which a day is begun has much to do with the results of that day's accomplishments. Meeting at 7:45 for chapel adds this right beginning to our days of study.

Various chapel periods are given to Christian Service Reports, testimonies and Senior class Speakers. Saturday morning each class meets for separate class chapels where students are given opportunity and training in chapel worship.

Throughout the year it has been our privilege to hear some of the outstanding religious leaders of today such as Rev. Ralph Riggs, assistant Superintendent of the Assemblies of God; Rev. David Du Plessis, Secretary of World Pentecostal Alliance; Rev. Clarence H. Benson, Executive Secretary of B. T. T. A.; Dr. Fred Schwarz, M. D. from Australia; Rev. John Wright Follette, Bible Teacher; Rev. Herb Seal, Youth Leader; Rev. Louis Nelson, Converted gambler; Rev. A. H. Aigne, Pioneer of the Pentecostal movement; Rev. C. M. Ward, pastor of Bakersfield Assembly; Rev. Herbert Schmidt, Missionary to Eastern Europe; Rev. Gustave Kinderman, from Germany.

The spring semester was climaxed with a two weeks Student Revival during the month of April. Rev. Kenneth Haystead, Assistant Superintendent of Northern California Nevada District, was the main speaker. The Lord graciously met with us and poured out His Spirit upon our waiting hearts.

If we were to try to print the harvest of this period of worship we would be lost before we began — eternity alone will reveal this to us.

The call

*"... who then is willing to consecrate
his service this day unto the Lord?"*

ACTIVITIES

CHRISTIAN SERVICE DEPARTMENT

The students of G. T. B. I. take part in an extensive Christian Service program. Students assist organized churches as Sunday School teachers, youth workers, and in musical activities.

Meetings held each Sunday in Bethany Park chapel are also conducted by Students, thus offering another outlet for service.

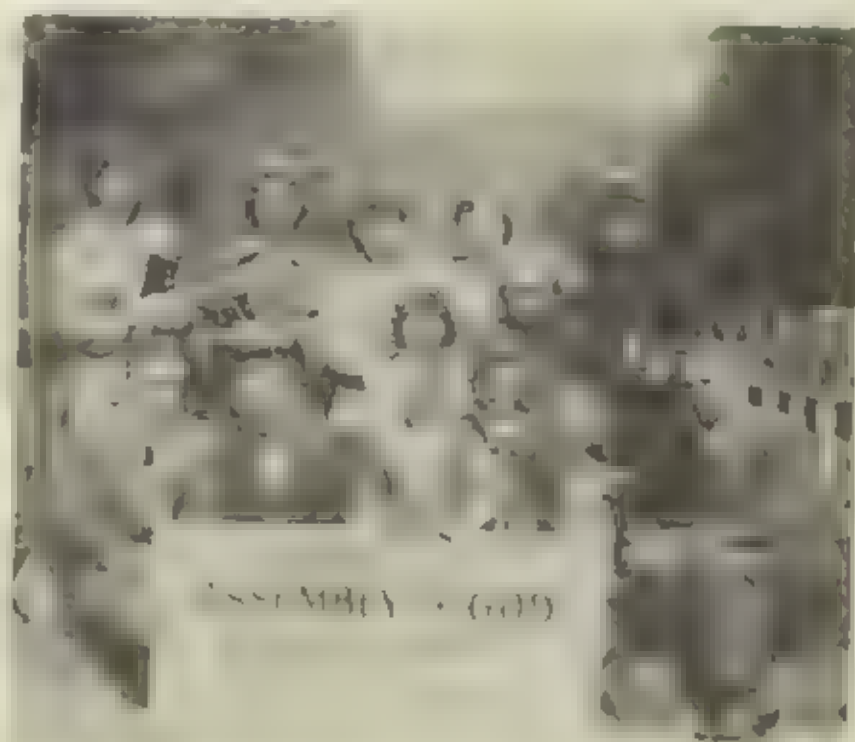

In communities where there is no Pentecostal message being preached the students open up Sunday Schools which later develop into churches, such is the case in Boulder Creek and Saratoga. In both of these communities students conduct a Sunday School, morning worship, and evening evangelistic serices.

Students conducting services in hospital ward

CHRISTIAN SERVICE

Jails, hospitals and missions afford many opportunities for service. Those who are looking forward to a preaching ministry receive valuable experience in churches in the surrounding area.

Week Day Bible Club

STUDENT COUNCIL

The purpose, activities and responsibilities of the Student Council are an important factor in student government, not only in its relationship to the Faculty, but to the Student Body as a whole.

Chosen so that each class is equally represented, its members consist of the Student Body president, vice president, secretary, treasurer and the Missionary president. Other members on the council include the class presidents, representatives and a faculty advisor.

Weekly meetings are held to discuss carefully and prayerfully all matters pertaining to the Student Body, individual problems, and other situations that need consideration; and also special sessions with members of the faculty and board of directors are deemed necessary.

Various committees and groups have been appointed and elected to provide recreational facilities, student employment, devotions, and tract distribution.

VETERAN'S CLUB

Organized four years ago with the intent of benefitting both school and individual needs, the Kappa Delta Club functions among the veteran students of Clark College. One of the greatest ambitions of this group, the creating of endowment and the raising of funds to build a new, better equipped school, has been realized.

This year they have helped many students stay in school by furnishing them employment either in office work or landscaping or otherwise seeing that their needs were met. The club strives to bear others burdens, "and so fulfill the law of Christ."

Having marched victoriously under the Stars and Stripes, these united veterans now march victoriously under the glorious banner of Christ.

FLYING CLUB

The Flying Club with Bro. Henckson as advisor is a part of our school once again this year. Lessons at greatly reduced rates are offered to those of its members who as yet do not have their license. A minimum of eight hours are required before one is able to solo and a license may be had after forty hours. Each member has his part in keeping the club's plane in operation.

Flying presents a rich field for consecrated workers who wish to spread the Gospel to the ends of the earth.

OUR NUMBER INCREASES

As they receive their diplomas, the members of the class of 1951 join the ranks of the alumni, a group that has been growing for 30 years. Graduates of Glad Tidings Bible Institute have found their way into many walks of life and to many parts of the world, in many instances carrying the gospel of Jesus Christ to new places. We wish we could claim that all have proven faithful to the charge they once accepted, but we can rightfully state that a vast majority have stayed true to the general purpose of serving the Lord with Christian living, and many have been and are in the active ministry.

We welcome the members of this class as they join us, not only in name but also in the many vicissitudes that come to the lives of those who live in adulthood and who would live those lives for Jesus' sake. For some there will be great joys ahead, great accomplishments, and great victories. The joys will be more appreciated after sorrow; the accomplishments will come after application and effort, and the victories after struggles and trials. The mixture of the whole will blend to make of the individual graduate of this class, as well as those of every class, a successful witness and profitable servant of the Lord we love and praise.
